CHRISTMAS WORKER SAYS FAIR STORE IS NOT FAIR

**Worked Thirty Hours—Got \$4, He Complains—"Fair
Doesn't Pay Overtime"—"Store Employees Should
Organize," Factory Inspector Nelson
Advises Him.**

How far does the Christmas spirit go in the Fair store? One employee who complained today to State Factory Inspector Oscar Nelson says that it doesn't get beyond the counters bedecked with holly and tinsel, tokens of peace on earth and good will toward men.

In the offices, warehouses and

counting rooms of the Fair the same money-grubbing spirit prevailed at Christmas just as at any other time of the year, this worker declared to Nelson. He says he worked two days for the Fair, just before Christmas. For this they paid him \$4. And he worked thirty hours.
